

Crossroads Community, Inc. is a nonprofit organization providing behavioral health rehabilitation and case management services to residents of the five mid-shore counties on Maryland’s Eastern Shore. For four decades the staff of Crossroads Community have stood with clients at the intersection, the crossroads, of their behavioral health issues and recovery goals. Help us continue this much needed support on the path to recovery with a donation and/or sponsorship for our annual 5K benefitting our many rehabilitation and recovery support programs.
